

Bonnie Mason & Associates Counselling Inc.
#221 3388 Rosemary Heights Crescent
Surrey, BC V3Z OK7

Please be ensured that Bonnie Mason & Associates are doing everything possible too provide a safe and healthy space for your child to attend counselling.

The following changes have been made in accordance to the Fraser Health standards to keep all of us safe from COVID-19. These changes will continue indefinitely as we believe them to be good practice.

The playroom has been completely cleaned during this time of closure.

We have removed all play materials that encourage sharing bodily fluids, such as flutes etc.

Please arrive with enough time for your child to use the washroom and wash their hands in the bathroom right beside the elevator. We will also ask they use hand sanitizer once in the playroom and when exiting.

Travel alone with your child in the elevator or take the stairs.

We will no longer have a common waiting area, please arrive with your child 5 minutes prior to your scheduled time. Please wait outside the door of #221 and your counsellor will come and get you. Do not bring along any other family members. We will ask you either wait in your car or enjoy a drink in the coffee shop below.

We will continue to practice social distancing during the play session and may need to limit the use of some toys.

All counsellors will allow enough time between sessions to clean all toys used through the session prior to another child arriving.

We will do our best to keep us all safe by will educating and modeling these new expectations and behaviours. We are committed to you and your children and will work with you on the safest way to provide play therapy services.

We would prefer payment be done by e-transfers, receipts will be e-mailed.

We welcome you back and encourage you to discuss any questions or concerns with:

Thank You,
